MISSING HORSE

December 14, 2007 ~ San Diego, California

**LIBERTY STAR
AKA LIBBY**

HOW MISSING: "Libby was stolen from me right out of my Pasture in Ramona near the 78. She is 4 yrs old and currently nursing her foal. Extreemly long mane. (Above photo is over a year old). She also has a long, narrow funny patch of skin on the left side of her neck that slants toward her shoulder. (might not be as noticable with her winter coat) She will probably be bagged up from not being able to nurse her foal." --- Lori Patton
