**ANOTHER THOROUGHBRED  
DISAPPEARS ~ REPORTED  
DECEASED BUT NO EVIDENCE**

**How Missing:** Horse was picked up by Orlando area hauler in Davie, Florida on Sept 3, 2006 and was supposed to be taken to a boarding facility in Olean, New York. Horse supposedly arrived there on Sept 5th according to the farm owner. 2 weeks later the farm owner contacted the horse owner in Florida and told her that the horse was sick, but they were not going to call a vet. The horse owner received a message on her phone October 17 saying the horse was dead and they had already buried it and would not dig it up for photographing or ID by a vet.
