MISSING HORSE

Missing since November 11, 2005 from Hocking County, Ohio

breed: Racking Horse
sex: Mare
color: Palomino
age: 18
weight: 1000lbs height: 15 hands
identifiable characteristics:

- Dark palomino,
- star and snip,
- had a cinch sore several years ago that left pure white hair behind her left front leg where the cinch would go across,
- has about 6 white hairs on her left hip.
- She is very docile and friendly.

- She has a very thick forelock, main, and tail. It is mostly dark palomino color with some chestnut/red strands.
- She has not been trimmed in some time so her whiskers and bridle path would be long.
- She is shod and has borrium.

Reba

I bought Reba 11 years ago from a horse trader that had rescued her from an abusive home. She was at a friends farm and did not come in to eat with the rest of the herd yesterday morning. The owner had been away and cannot give any further details. She has been looked for on horseback and by car today with no success.
